

**In the Specification:**

Please amend paragraph [0018] of the specification in accordance with the following:

Though the above has described the preferred embodiment of the present invention, it shall be appreciated that other modifications, variations and changes are possible to a person skilled in the art without departing the spirit of the present invention. For example, the ground pads G1a and G2a can have a common single rectangular pad opening 20, as contrary to the square openings shown in FIG. 2 [[1]]. This also applies to ground pads G1b and G2b. Thus, the protection scope of the present invention is solely intended to be defined in the accompanying claims.
